Headteacher Mr M. Hopkins

Dear Parents and Carers of the pupils of Healey School,

It gives me great pleasure to announce that the report from our recent Ofsted inspection is now available for you to read on our school website. The report can be found under the key information section by following the link to the most recent Ofsted report.

Ofsted inspect schools under either Section 5 or Section 8 of the Education Act 2005. Our recent inspection was a Section 8 inspection which is carried out purely to see if the school has maintained the standards identified at the last inspection. The outcome of a Section 8 inspection can only determine whether a school has or hasn't managed to maintain the standards previously achieved.

At the last inspection in 2019, our school was graded as a 'Good' school and so Ofsted returned this January to determine whether Healey is still a 'Good' school. I hope this helps you to understand the process.

The report itself highlights the strengths Ofsted identified during the inspection and also the areas for development, progress of which will form part of the inspection when they return.

I hope you all will find the report reflects the hard work of the staff and pupils here at Healey. Also, that you will feel a sense of pride in Ofsted acknowledging the many great things Healey School has always enjoyed a wonderful reputation for.

We would like you to join with us in celebrating this fantastic report. Take the opportunity to be proud of your children and their hard work, as well as feel grateful for the fantastic, diligent staff who work here at Healey.

We are all proud to be part of the 'Healey Family'; we hope you are too.

Regards,

M Hopkins
Headteacher
